Director
Intelligence Community Staff
Washington, D.C. 20505

MEMORANUM FOR: Chairman, Intelligence Community Awards Review Panel
THROUGH: Deputy Director of Central Intelligence
SUBJECT: Recommendation for the Intelligence Community Certificate of Distinction

1. Nominee: [redacted] (U) 25X1
2. Time period to which the proposed award is applicable: 1 May 1979 to 13 August 1982. (U)
3. Position during the above period: Vice Chairman, SIGINT Overhead Reconnaissance Subcommittee (SORS) (S/TK)
4. Grade: GS-15 (U)
5. I recommend that [redacted] be awarded the Intelligence Community Certificate of Distinction in recognition of his sustained superior performance and immense contribution to the Intelligence Community for the past three years. As Vice Chairman, SORS, [redacted] has provided superb leadership and exceptional managerial skill in a key position directing the utilization of the SIGINT satellite reconnaissance systems. These complex and costly overhead collectors are of critical importance to the US intelligence effort, and [redacted] has been highly effective in optimizing their use. He has extensive knowledge of satellite performance capabilities as well as thorough understanding of intelligence target characteristics, and could thus match collector and target with the most advantageous results. He was also able to judiciously arbitrate among the many and often conflicting requests for overhead coverage from agencies throughout the Community. (TS/TK) 25X1
